Services I cannot offer

I am unable to offer legal or tax advice and recommend you consult your solicitor or accountant for this. Any advice I give in relation to KiwSaver withdrawal for a first home purchase is limited to factual information on what can be withdrawn and the process for this, and does not extend to whether or not this is in your best interests. Please consult an investment adviser for advice on retirement savings.

Fees and Expenses

Generally, I won't charge you any fees for the financial advice I provide to you. This is possible because on the settlement of a loan I usually receive commission from the lender. Any exceptions to this general position are explained below.

I may charge you a one-off fee if the following occurs:

(a) When I don't receive commission from the lender:

If you request that I provide financial advice and I do not receive commission from the lender, I may charge you a one-off fee. Any such fee would be agreed upon and authorised by you in writing before I complete the services, and would be based on an estimate of the time spent acting on your behalf and providing the advice.

This may arise in the rare event that you request that I provide services in relation to either a product that is offered by a lender that I do not hold an accreditation with, or a product that is outside my usual arrangements with my product providers.

(b) When I have to repay commission to the lender.

If a lender requires that I repay commission within 28 months of settlement of your loan, we may charge you a one-off fee. Any such fee would be no more than \$2,500 (plus gst) and would be calculated based on a rate of \$250 plus gst per hour of time spent providing our services and financial advice to you in connection with the applicable loan. The fee I charge you will not exceed the amount of commission I have to repay the lender.

You will be invoiced for any one-off fee and will be given 30 days to make payment.

Conflicts of Interest - Commission

On settlement of a loan, I usually receive a commission from the applicable lender. The commission is generally of an upfront nature but may also include trail commission. I also receive a fixed rate roll over fee from some product providers if I assist you with the refixing of your loan.

I manage these conflicts of interest by:

- Always recommending the best product for your purpose and needs irrespective of the type and amount of commission I will receive.
- Ensuring the amount of any loan is in accordance with your identified needs.
- Providing you with the following table showing the commission rates and types by lender.

Note that the commission I receive is calculated as a percentage of the loan.

Lender	Upfront %	Trail %	Refix \$
ANZ	0.85%	-	\$150
ASB Bank	0.85%	-	\$150
Avanti Finance	0.80%	-	-
BNZ	0.55%	0.15%	-
Cressida Capital	1.00%	-	-
DBR	1.00%	-	-
First Mortgage Trust	-	-	-

KiwiBank	0.45%	0.15%	-
Liberty Financial	0.60%	0.15%	-

The Cooperative Bank	0.70%	-	\$150
TSB Bank	0.85%	-	-

As soon as I know the type of loan and amount we are putting in place, and that it has been accepted by the lender, I will let you know the amount and frequency of the commission received.

I may also receive a referral fee or commission if I refer you to one of our referral partners.
